

## School-age Transportation Agreement Cornerstone Daycare Learning Center

1. Cornerstone Daycare assumes legal responsibility of your child while in attendance at the daycare facility. We will make certain that they get on the proper bus in the morning, and we will take attendance upon arrival back at the daycare facility in the afternoon.
2. Please make sure you are arriving in the morning with ample time prior to bus arrival times. The FWCS buses can and do run early. A good rule of thumb is a minimum of 20 min prior to posted pick up time.
3. Once a child is placed on a Fort Wayne Community School bus, the daycare will no longer be responsible for their welfare and safety.
4. It is the responsibility of Fort Wayne Community Schools to place them on the bus and deliver them to the appropriate drop off location. Cornerstone does not assume responsibility for your child until the FWCS bus drops them back to the daycare after school.
5. Parents MUST call to inform the daycare if their child will not be riding the bus back to Cornerstone, so we know not to expect them. If your child does not get off the Fort Wayne Community School bus at the center and we have not heard from a parent, we will attempt to contact the parent to verify. Excessive failures to inform Cornerstone that your child will not be riding the bus back to daycare could result in disenrollment from the center.

I understand the above noted responsibilities of Cornerstone concerning FWCS providing transportation.
